CHAIRMAN

B. Jaikumar Christhu Rajan, B.E., MBA (UK)

B. Jaikumar ChristhuRajan is a visionary second-generation entrepreneur and the Chairman & Managing Director of the Jeppiaar Group. With a strong academic foundation in Engineering and an MBA from the UK, he brings strategic leadership, administrative excellence, and a people-centric approach to all Jeppiaar institutions. He currently serves on the Board of Trustees of Sancta Maria Educational Trust and he is the Chairman of Jeppiaar Academy of Psychology and Research.

An educationalist since 2010, he has played a pivotal role as Director of the Jeppiaar Group of Educational Institutions. Through his training and placement initiatives, he has mentored and guided hundreds of students across diverse disciplines, helping them build successful careers. A strong advocate for youth development, he is the patron of JCR Basketball Club, which trains over 250 children free of cost and organizes All India Basketball Tournaments for more than 22 years. Known for his compassion and community service, Jaikumar is deeply respected for his contributions during the 2015 Chennai floods and 2016 Vardha cyclone, where his relief efforts reached thousands.

At Jeppiaar Academy of Psychology and Research, he provides strategic direction and ensures that the academy grows as a centre of excellence dedicated to mental health education, youth empowerment, and holistic societal wellbeing.

FOUNDER & DIRECTOR

Dr. Saranya Jaikumar, B.Tech., M.Sc., Ph.D.

Dr. Saranya Jaikumar is one of India's first Doctorates in Educational Psychology. She is the founder and director of JPAR and has made a significant impact in the field through her academic expertise and commitment to student development. As the founder of Voxdemy, she has tutored and mentored more than 7,000 psychology students across the globe, empowering learners with practical skills, academic clarity, and professional confidence. She serves as an Independent Expert to the Ministry of Women & Child Development, Government of India, Tamil Nadu Police Department, Samagra Shiksha, and numerous schools and colleges across India.

A former Member of the Tamil Nadu Commission for Protection of Child Rights, Dr. Saranya is widely acknowledged as a leading advocate for POCSO awareness and digital safety for children. She has conducted her flagship program "Raksha" across 3000+ schools, addressing students, teachers, and parents.

Dr. Saranya is also a Consultant Educational Psychologist at Shadithya Child Therapy Centre and a Child Protection Policy Expert for various international accreditation bodies. She serves as visiting faculty, programme head, keynote speaker, jury panelist, and motivational speaker at national and international platforms. Her articles, interviews, and expert opinions are widely featured in leading newspapers, magazines, TV channels, and digital media.

WHO WE ARE

The Jeppiaar Group of Institutions is a well-established educational group with over three decades of excellence in higher education, consistently providing quality, value-based, and future-oriented education. Founded with a vision to make education accessible and meaningful, the group has grown into a trusted name across Tamil Nadu. Rooted in academic rigor and strong ethical values, the Jeppiaar Group emphasizes innovation, industry relevance, experiential learning, and holistic student development.

Within this progressive educational ecosystem, the Jeppiaar Academy of Psychology and Research was established to bridge the gap between academic learning in psychology and real-world application. Guided by a vision to nurture ethical, skilled, and research-oriented mental health professionals, the Academy offers advanced, practice-focused programmes aligned with global mental health standards. The Academy follows a strong practice-oriented approach, integrating applied learning, professional supervision, ethical practice, and research exposure, thereby preparing learners for impactful and responsible careers in the field of psychology.

VISION & MISSION

Vision

To be India's most trusted and innovative center of excellence in psychology, setting national standards in education, research, and practice, and transforming mental health across communities by empowering generations through ethical leadership, compassionate service, and lifelong learning.

Mission

Our mission is to deliver transformative learning experiences and pioneering initiatives in counselling psychology, nurturing skilled professionals dedicated to holistic well-being. We aim to champion child rights, revolutionize mental health infrastructure, and advance psychological sciences in India. Through research, government collaborations, advanced training, and inclusive outreach, we strive to become the leading platform for psychology education, internships, and impactful policy reforms, ensuring accessible mental health care for all.
