WHO WE ARE

The Jeppiaar Group of Institutions, with over three decades of excellence, is committed to quality, value-based, and future-oriented education. The Jeppiaar Academy of Psychology and Research bridges academic learning with real-world psychological practice and application. With a focus on ethical practice, professional supervision, research, and experiential learning, the Academy follows a practice-oriented approach. Its programmes prepare skilled, ethical, and research-oriented mental health professionals aligned with global standards.

Aura Academia, Founded in 2018 by Ishvarya Ramasubramanian, Aura Academia was built to transform education through personalized, concept-based, and student-focused learning. Starting with just 15 students in Sharjah, the academy prioritizes understanding individual learning needs, exam strategies, and building genuine confidence. Today, over 2,000 students have placed their trust in Aura Academia, reflecting its commitment to meaningful and effective education. Despite its growth, the academy remains dedicated to its founding principle: personalized attention and unwavering commitment to every student's academic journey.
