JEPPIAAR ACADEMY

of PSYCHOLOGY and RESEARCH

IN COLLABORATION WITH BHARATHIDASAN UNIVERSITY

A UNIT OF SANCTA MARIA EDUCATIONAL TRUST

OUR VISION & MISSION

VISION

To be India's most trusted and innovative center of excellence in psychology, setting national standards in education, research, and practice, and transforming mental health across communities by empowering generations through ethical leadership, compassionate service, and lifelong learning.

MISSION

Our mission is to deliver transformative learning experiences and pioneering initiatives in counselling psychology, nurturing skilled professionals dedicated to holistic well-being. We aim to champion child rights, revolutionize mental health infrastructure, and advance psychological sciences in India. Through research, government collaborations, advanced training, and inclusive outreach, we strive to become the leading platform for psychology education, internships, and impactful policy reforms, ensuring accessible mental health care for all.

CHAIRMAN

B. Jaikumar ChristhuRajan, M.E., M.B.A(UK)

B. Jaikumar ChristhuRajan, M.E., M.B.A (UK) is the Chairman & Managing Director of the Jeppiaar Group and a third-generation entrepreneur with strong academic and leadership credentials. An educationalist since 2010, he has played a key role in mentoring students through training and placement initiatives and serves on the Board of Trustees of Sancta Maria Educational Trust. A strong advocate for youth development, he is widely respected for his impactful community service during the Chennai floods and Cyclone Vardha. At Jeppiaar Academy of Psychology and Research, he provides strategic direction to promote excellence in mental health education and youth empowerment.

FOUNDER & DIRECTOR

Dr. Saranya Jaikumar, B.Tech., M.Sc., Ph.D

Dr. Saranya Jaikumar is one of India’s first Doctorates in Educational Psychology and a leading advocate for child safety and student wellbeing. Founder of Voxdemy, she has mentored over 7,000 psychology students globally, equipping them with strong academic and professional skills. She serves as an Independent Expert to the Ministry of Women & Child Development (GoI), Tamil Nadu Police, Samagra Shiksha, and several educational institutions. A former Member of the Tamil Nadu Commission for Protection of Child Rights, she has led large-scale POCSO and digital safety initiatives through her flagship program “Raksha” across 3,000+ schools. She is also a Consultant Educational Psychologist, Child Protection Policy Expert, and a sought-after speaker and academic leader at national and international forums, with regular media features for her expert insights.

TIMES OF INDIA AWARD FOR
"LEADING PSYCHOLOGY INSTITUTION IN CHENNAI"

WHO WE ARE

The Jeppiaar Group of Institutions is a well-established educational group with over three decades of excellence in higher education, consistently providing quality, value-based, and future-oriented education. Founded with a vision to make education accessible and meaningful, the group has grown into a trusted name across Tamil Nadu. Rooted in academic rigor and strong ethical values, the Jeppiaar Group emphasizes innovation, industry relevance, experiential learning, and holistic student development.

Within this progressive educational ecosystem, the Jeppiaar Academy of Psychology and Research was established to bridge the gap between academic learning in psychology and real-world application. Guided by a vision to nurture ethical, skilled, and research-oriented mental health professionals, the Academy offers advanced, practice-focused programmes aligned with global mental health standards. The Academy follows a strong practice-oriented approach, integrating applied learning, professional supervision, ethical practice, and research exposure, thereby preparing learners for impactful and responsible careers in the field of psychology.

The Jeppiaar Academy of Psychology and Research, in collaboration with Bharathidasan University, which is accredited with an A+ Grade by NAAC (Third Cycle) and ranked 36th among Indian Universities in NIRF 2025. The institution offers Advanced Diploma Programmes in Psychology designed to meet contemporary academic and professional standards.

ABOUT BHARATHIDASAN UNIVERSITY

Bharathidasan University was established by the Government of Tamil Nadu in 1982 through the Bharathidasan University Act, 1981. It is situated in Tiruchirappalli. The University started functioning with effect from February 4, 1982. Bharathidasan University has established the Institute for Entrepreneurship and Career Development (IECD) in 2004, for promoting entrepreneurship and career development among the students and non-students youth. It is a flexible skill development training centre for enriching the current as well as dropped-out and passed-out students.

Further, the IECD serves under three dimensional activities i.e. conceiving, designing and operating various skill development programmes in terms of short-term, certificate, diploma programmes in different sectors. The IECD is known for skill development programmes by the way of giving entrepreneurship training to youth.

ADVANCED DIPLOMA IN ART THERAPY

ABOUT PROGRAMME

The Advanced Diploma in Art Therapy provides a strong foundation in therapeutic art practices and psychological principles to support emotional healing and mental well-being across age groups. The programme covers core concepts of psychology, expressive art techniques, emotional regulation strategies, and ethical standards, enabling learners to use art as a tool for self-awareness, communication, and coping. Students develop skills to facilitate self-expression, strengthen emotional insight, and support clients in managing stress, trauma, and behavioural concerns. Emphasis is placed on confidentiality, professional boundaries, and ethical practice in therapeutic relationships. Through practical applications and guided experiential learning, students gain the competence to work effectively in diverse settings such as schools, hospitals, rehabilitation centres, and private practice, preparing them for meaningful roles in creative and mental health services.

Entry Requirement:
Bachelor's degree in any discipline/ 10th pass if aged above 35 years

Duration: 12 Months

Batches:

- Batch 1 - Friday Evening Batch
  2:00 PM - 8:00 PM
  Classes start on June 18
- Batch 2 - Saturday Morning Batch
